User Support

Mastercam Resellers form a much needed conduit between education and industry. Teachers and students gain direct access to our industrial channel's deep knowledge of CAD/CAM and manufacturing options. And when students are ready for the job market, they benefit as members of the world's largest industrial CAM network.

Mastercam Educators Alliance

The Mastercam Educators Alliance (MEA) is a growing community of educators who teach and use Mastercam. It provides a platform to interact with other instructors and gain access to subject matter experts and content that is tailored to the needs of MEA members.

Student Outreach

Mastercam is dedicated to future generations of makers. We are strong supporters of a number of motivational competitions for students.
